Chapter 1

This is Gavin. He is 600000000 years old. He is weird.

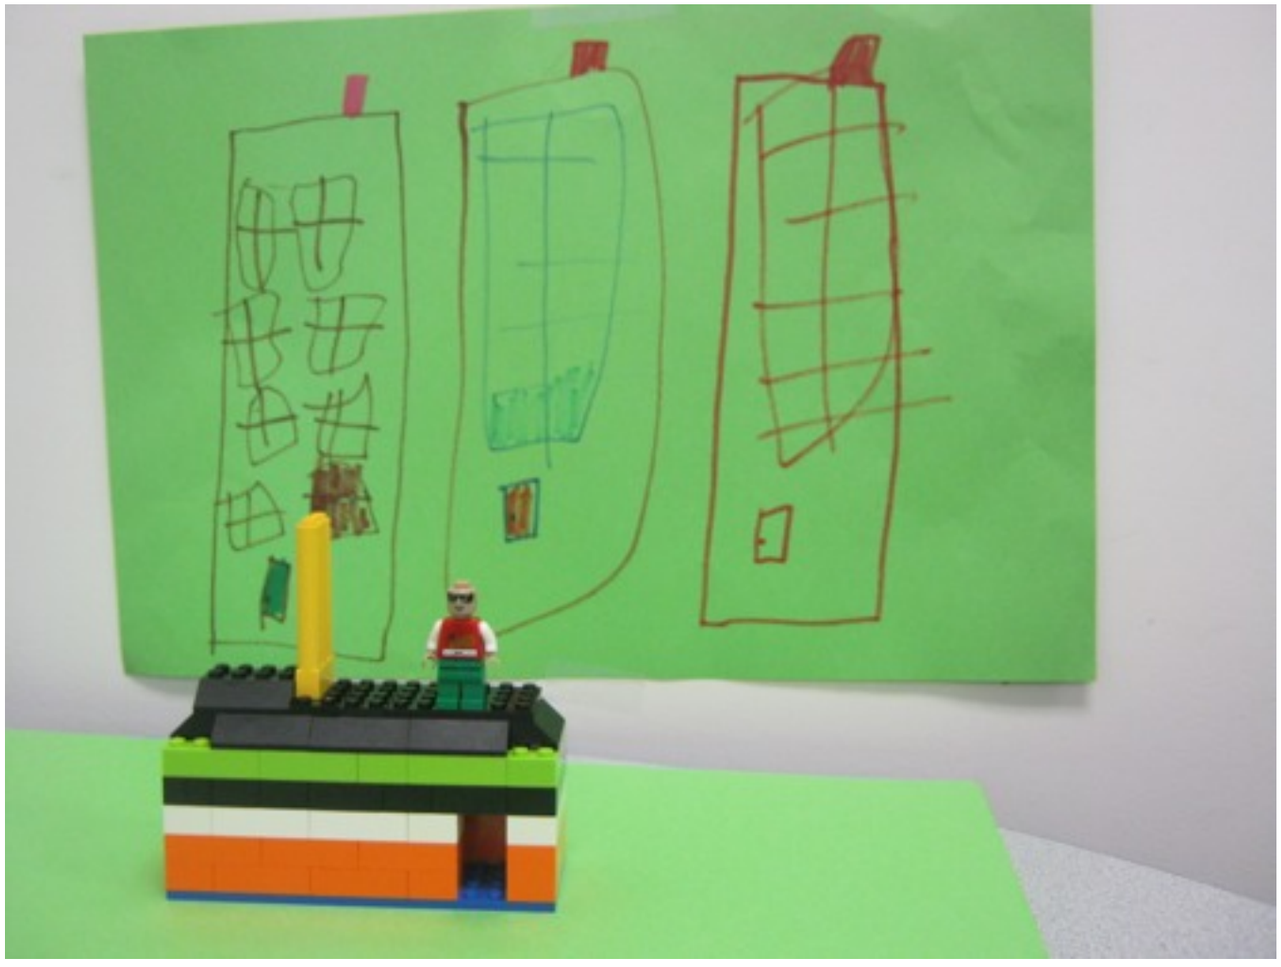
He lives in California and for some reason, he wants to walk to Connecticut.

Section 1

Jumping off the building

He walked to Connecticut he felt great and he was excited to be there. One day he decided to jump off a building and have a record as a person who jumped off the tallest building. Well, it didn’t work! He fell, hit himself hard and broke his arm. Many people wanted to help. He had to go to the hospital.

Gavin was worried.

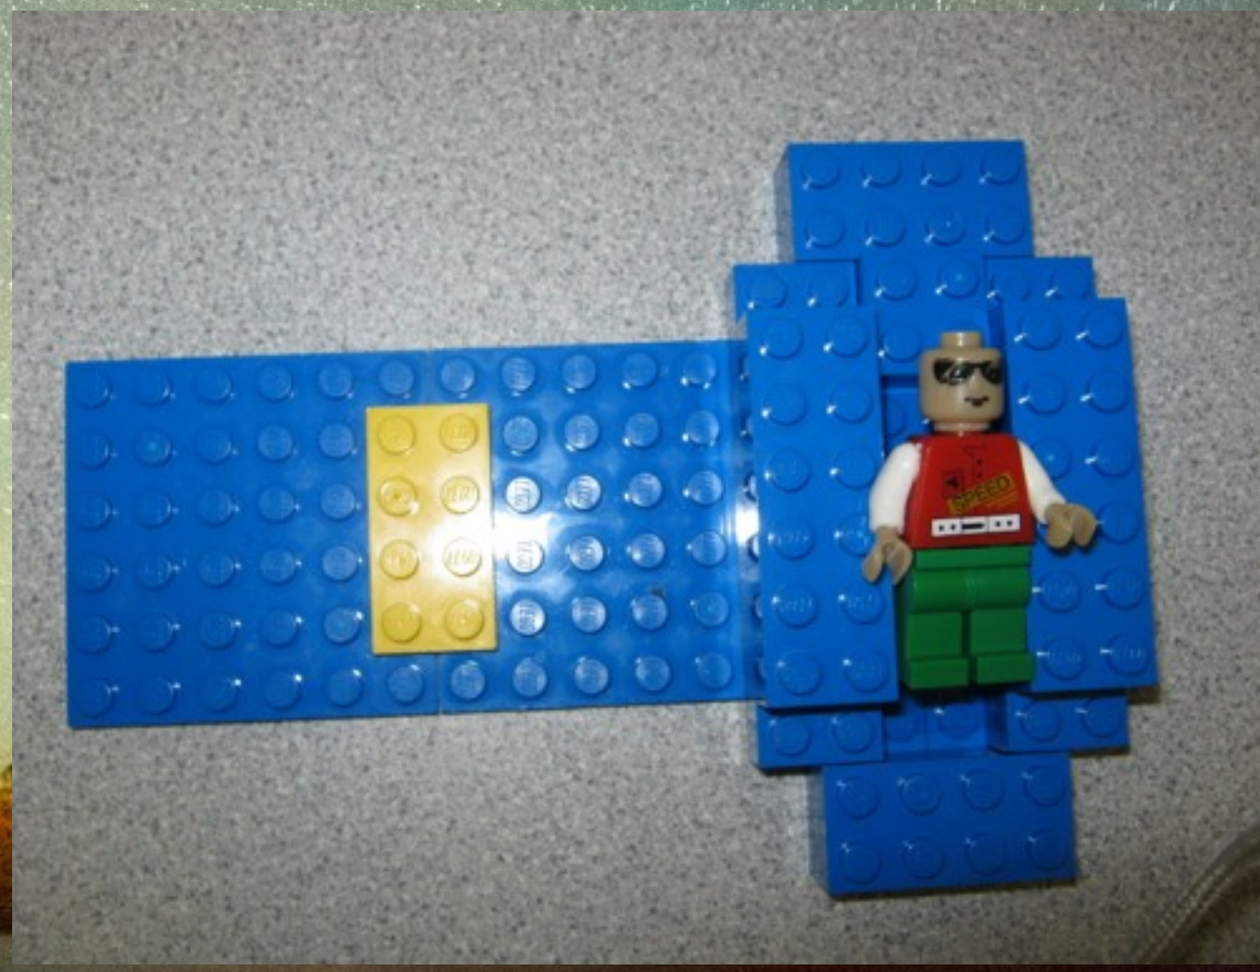


At the Hospital...

While Gavin was lying in the hospital bed, he felt weird. It was weird feeling for him to feel weird, since he was a weird man.

Gavin felt better. Soon he got out of the hospital. He felt better because his arm healed.

He wondered how it could heel so fast. Then he remembered - he was a weird man after all.



Going Home.

He felt a lot better so he decided to go home .He decided to drive back to California. He taught it would be a great idea not to jump off any building and to be safe.
