# Bobs point of view

In the land of Bob there lived a Bob. He was very deformed, because he couldn't walk without his face on the ground.

In the picture next to this text box Bob is walking. Every year in Bob land the Bobs sacrificed one of there own to King Bob. If they didn't sacrifice a Bob, King Bob would eat all the pickles in there village. Recently the Elder Bobs were talking about the "Sacrificing" . "We must sacrifice one of the weaker Bobs" The eldest Bob said as he ate some legos. "No! We must sacrifice the most anoying Bob!" Said the youngest of the elder Bobs. "So you?" said the oldest of the elder Bobs. "No. We must sacrifice...Bob." \*Gasp!\*

It was a normal day when Bob was walking around a giant pickle. Bob was trying to find a giant pickle. Suddenly the Elder Bobs walked up to Bob. “What are you doing?” Said one of the Elder Bobs. “I am trying to find a giant pickle.” said the Bob. “Oh” Said another Elder Bob. “We were going to hold a town meeting to decide if we were going to sacrifice you or not but if your occupied we can do it later” Said the eldest of the Elder Bobs “What?” Said Bob. “I wasn’t listening I was to busy listening to the latest song...The Dora theme song!” Bob said happily! “We love that song!” Said the Elder Bobs as they put Bob in a conveniently placed truck. “We are going to sacrifice you now!” Said the Elder Bobs in unison. “Ooh!” Said Bob. “I know ALL Bobs that have been sacrificed! Here is a list of all of the Bobs King Bob has eaten!

# King Bob

Bob wondered what his family would think of him being sacrificed...He had a sister named Bobbete....a father named Linda....a mother named Bob...and a brother named Bob the Bob. Bob was named after his mother..Bob.”Wheee!” Said Bob as the truck flew. “This is fun!” Said Bob 3 times. Bob looked out the window to see rainbows behind the truck...this truck was powered on rainbows! Bob looked out the other window to see a very close volcano. The Elder

Bobs then squealed because they realized they were going to crash into the volcano. As the truck crashed into the Volcano Bob did a dance. Bob was knocked out upon impact with the volcano. Bob woke up hours later (He could tell because he had his watch with him! Good Bob he came prepared!). Bob then walked towards the opening in the Volcano. He looked down to see King Bob. He looked like this.

# Epilogue

“Hello!” King Bob said. Bob looked around the Volcano..it wasn’t a volcano...it was a pickle resort! Bob jumped in the Volcano. “Hello!” Said Bob. “Welcome to the pickle resort! Here the Dora theme song plays all day and there are only pickles to eat!” Said King Bob. “Yay!” Said Bob. Then Bob lived happily Bobby after.
