Chapter 1

All about Elgie

When the Controller was a born his name was Elgie. When Elgie was born he had the power to control people but he did not know he had that power. He lived in Morrisville, North Carolina. His parents were Foggy and isele.

His sister was five years old. All Ellgie wanted to do was sit on the couch and watching television. His favorite show was Monster vs. Aliens. Ellgie enjoyed watching Monsters vs. Aliens, since he was a monster himself. His body was green just like everybody else in his family. He found it very interesting when monsters and aliens were arguing. He would try to solve the problem. Ellgie didn't have any friends because he was shy all the time. When his parents went out to buy stuff he stayed home.

He had a babysitter. Her name was Afra. His brother was in Beijing with Ellgie's grandma and grandpa.

On the day he was born a magical little Fairy came and cast a spell and that 's how he got his power. But he didn't know it, until he was 3 years old. When it was his first day of preschool, at recess, he was playing a game with his friend.

Ellgie was pretending that he could hold his friend up high. Suddenly, he realized that he was not pretending, he was doing it with ease.

When his friend noticed that, he got scared and he wanted to run away from Ellgie. Ellgie was really scared because he didn't know how to control this amazing energy. He tried not to do it again, but the urge just hit him because he loved to fight.

On the ninth day of school, at recess again, he was playing a fighting game with his friend, and he got scared, so he used his power.

His friend got hurt a little bit. That was the moment when Ellgie realized he had to do something about it.

He didn't want to hurt anybody else, anymore. But his other friends kept playing harsh games with Ellgie and fighting him. He just simply couldn't stop. He was not happy about it, he lost all his friends.

When he was 20 years old he became a villain. He felt he was all alone in the whole world. He had nobody around him. He decided to travel the world looking for places to start the trouble.
