## DEDICATION

This book is dedicated to Harlow Schmidt,  
my very best friend.

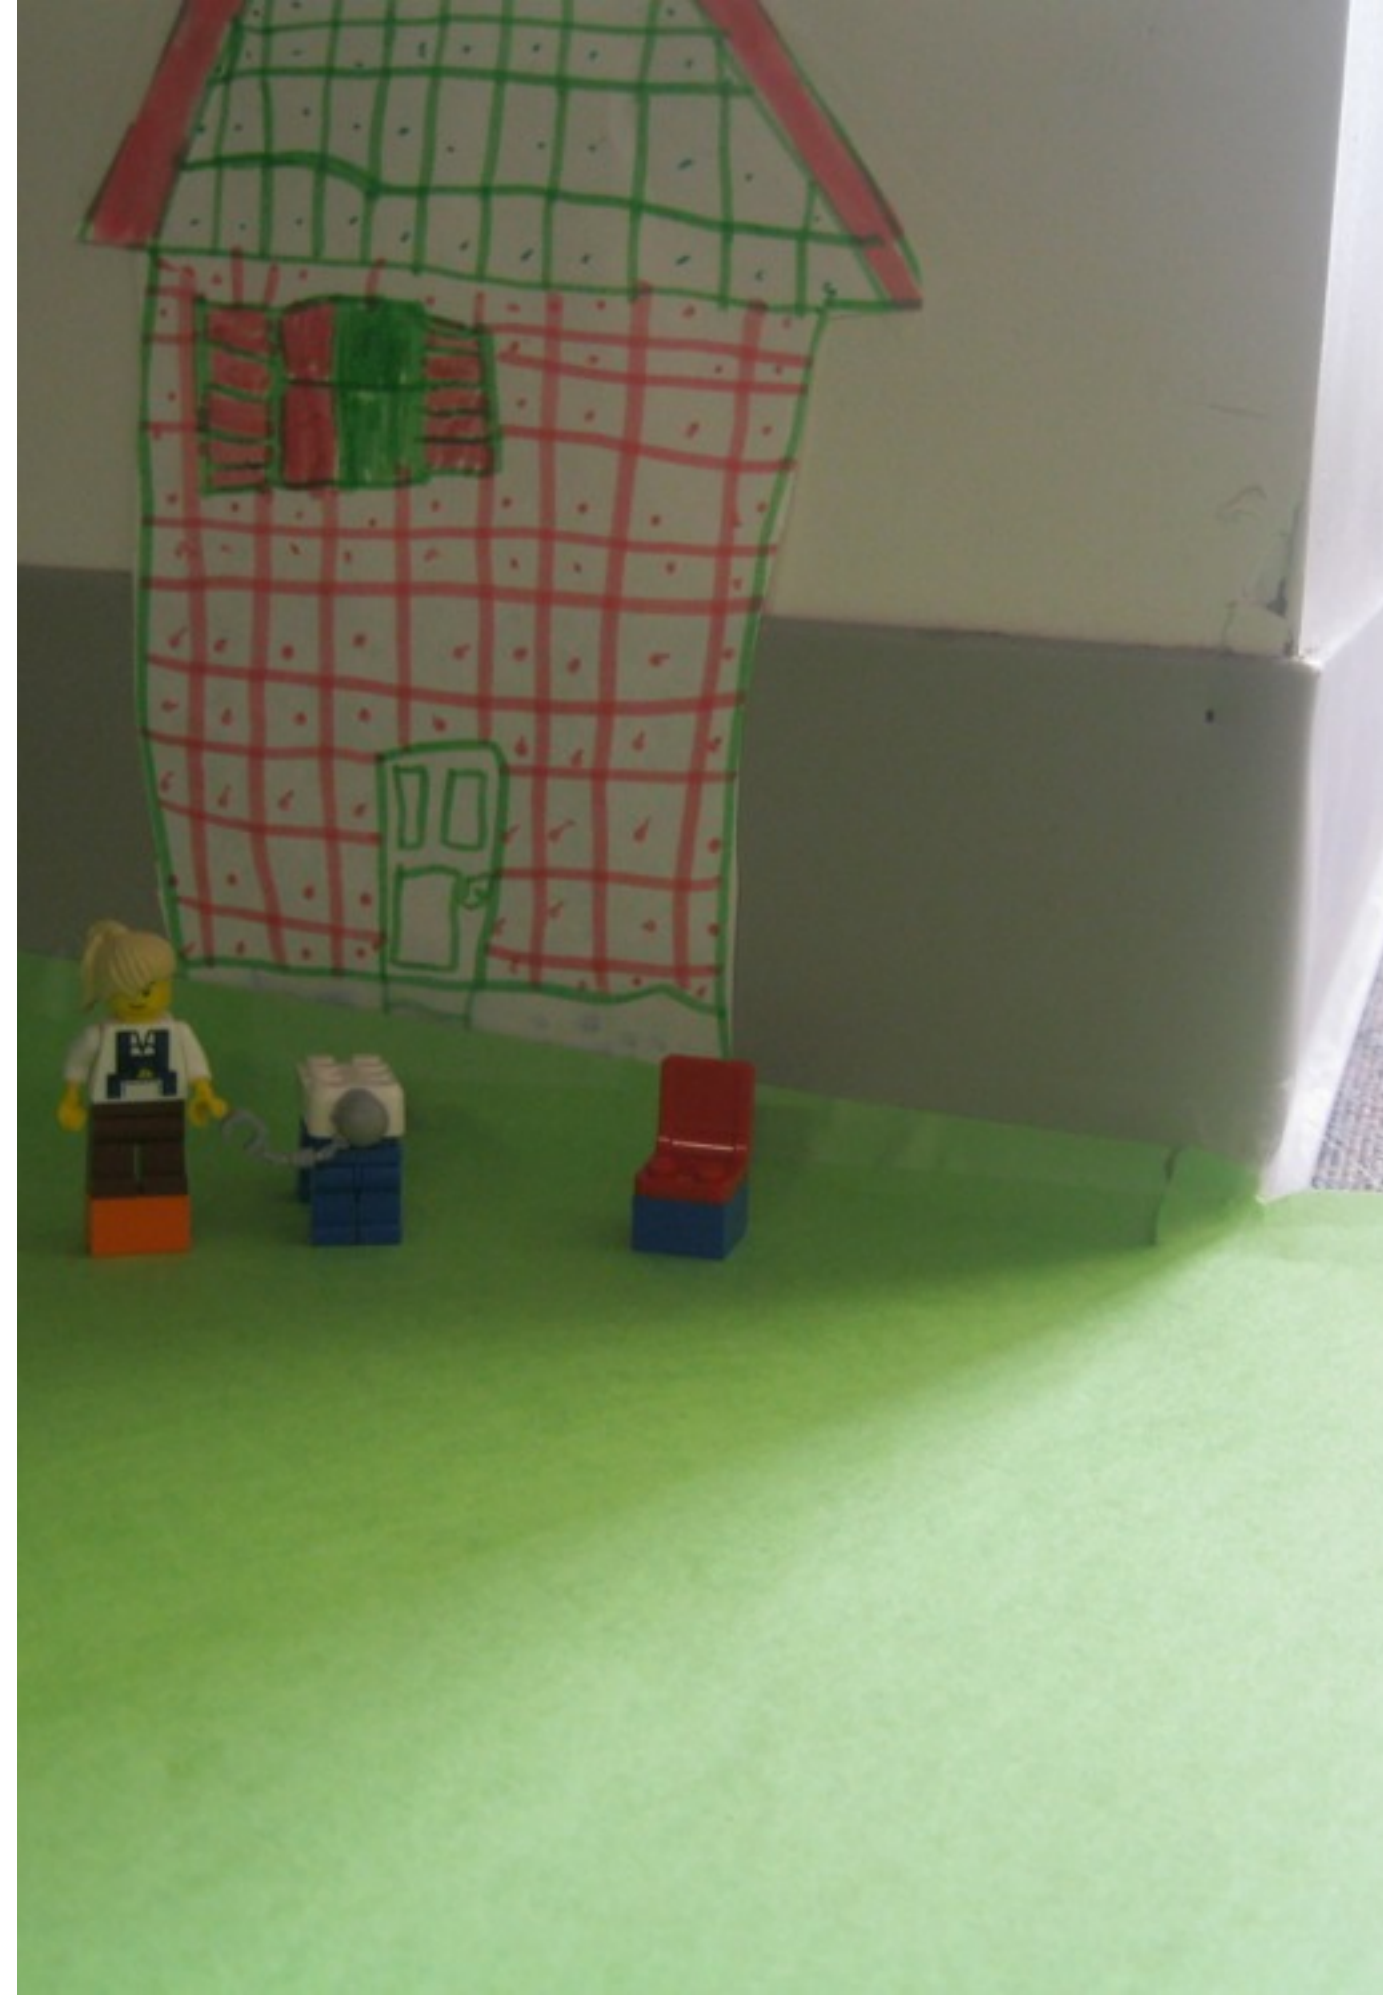

## 1. INTRODUCTION

Hi, my name is Zoe. I have a dog named Yahtzee. He is so cute. I am 8 years old. My dog is 2 years old. I love to play hockey. I also like to like to watch the Carolina Hurricanes play hockey. I love to play lacrosse.

## 2.NORMAL

It was just a normal day at 210 Euphoria Circle. I was playing with my dog in the backyard. It was about time for lunch. I was hungry. I ask my dog "Are you hungry Yahtzee?" he barks. "I will take that as a yes.". I threw a ball for him and he brought it back. "There is nothing to do !" I told Yahtzee. Yahtzee said "ruff ruff!" again. "How about we go to Dairy Queen?" I ask Yahtzee. He barks. I get on my bike and Yahtzee follows me to Dairy Queen.

### 3. LUNCH

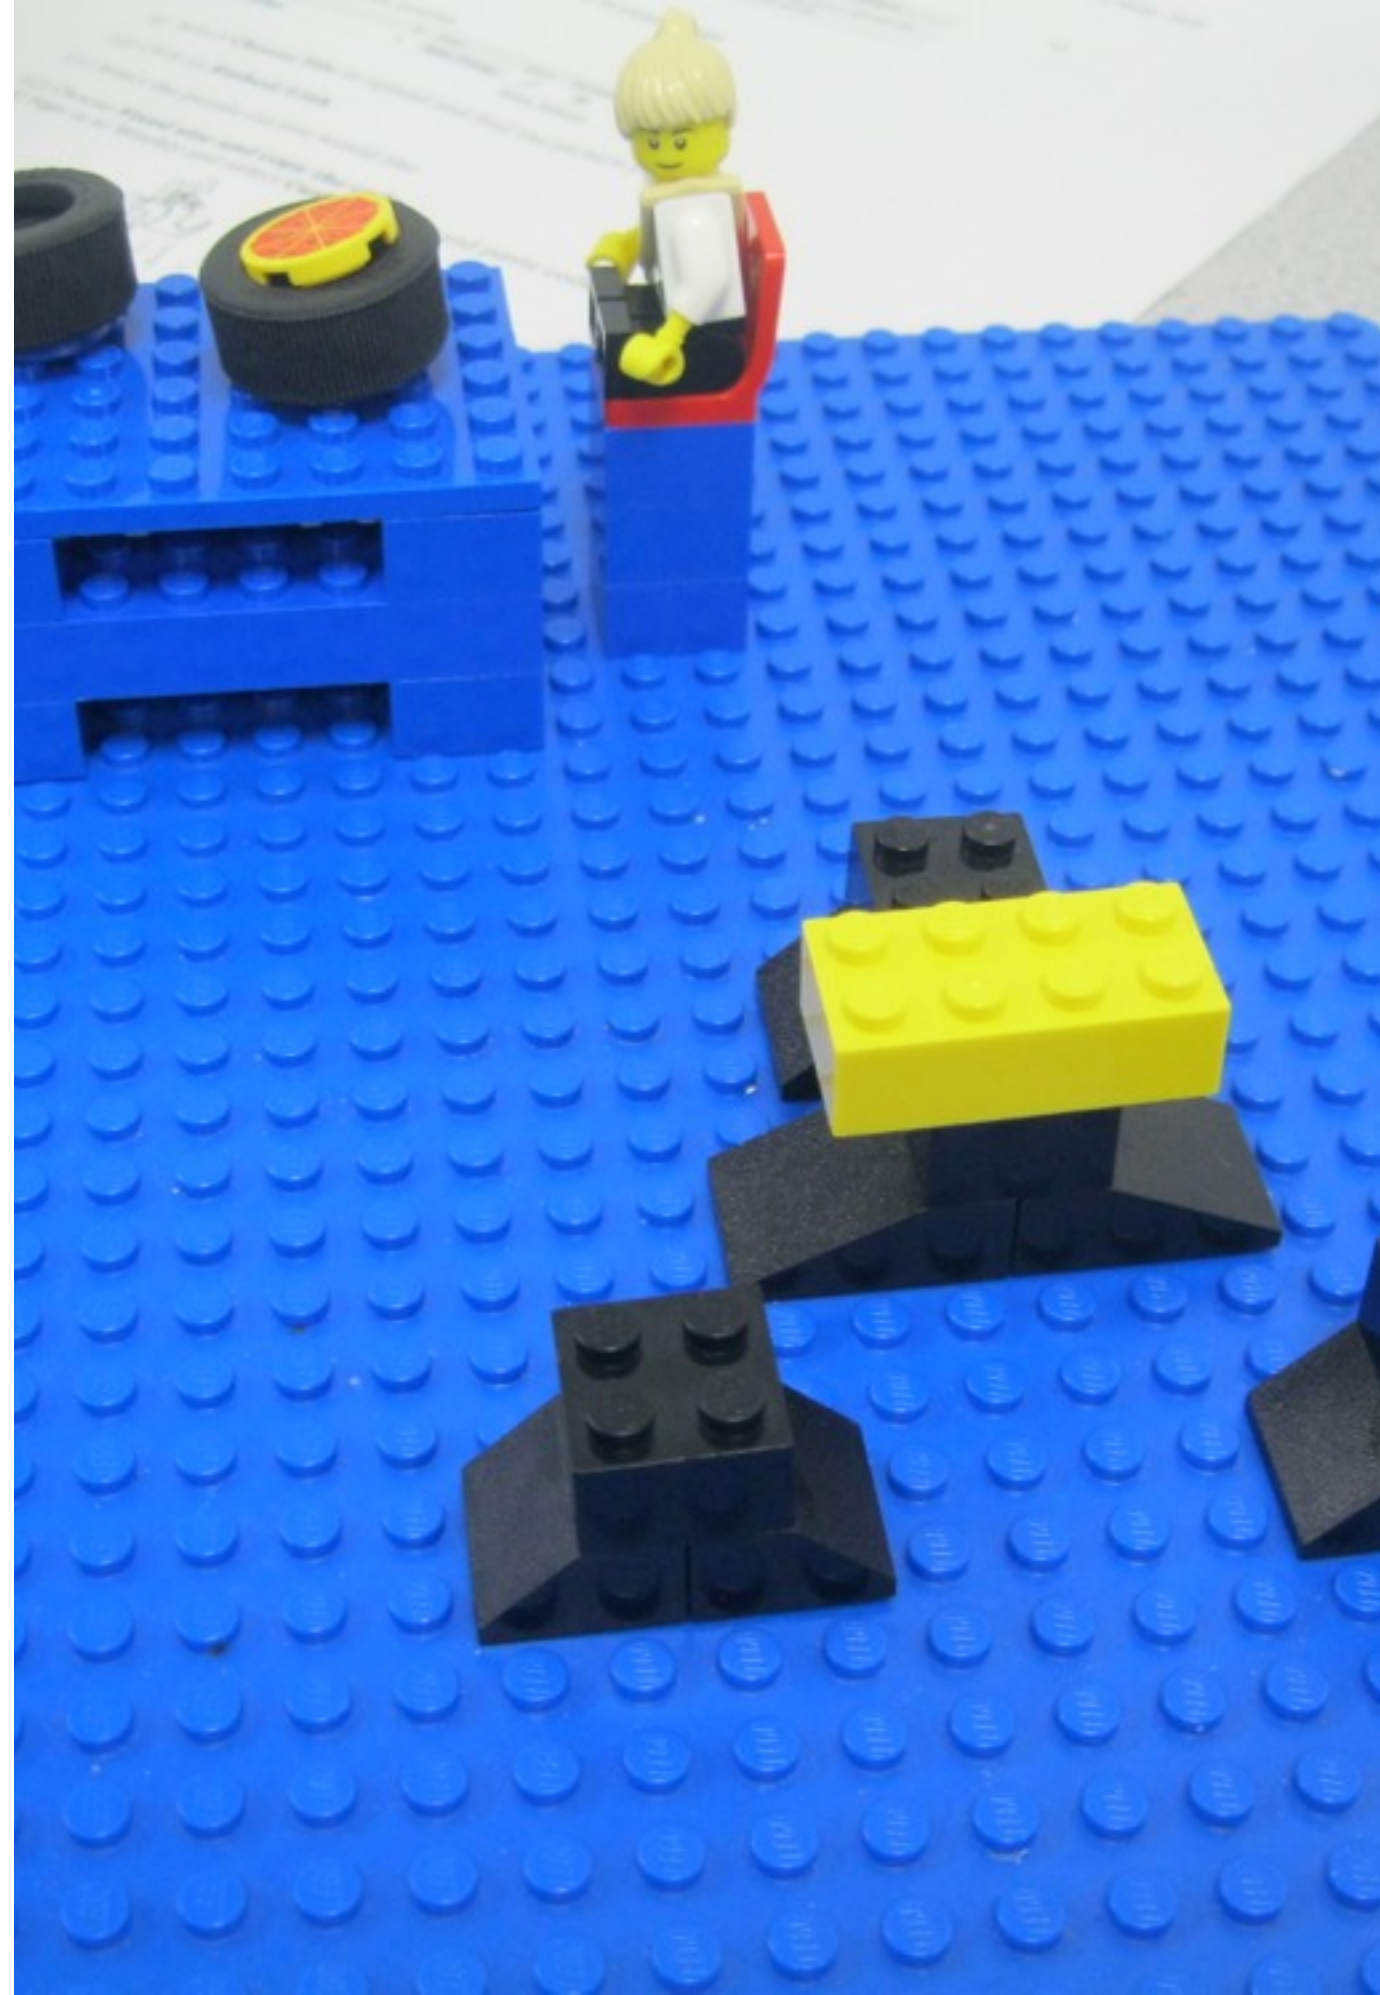

When Yahtzee and I were riding to Dairy Queen I heard (as usual) Yahtzee barking. “will you cut that out!” I said. As we approached Dairy Queen, I thought about what I wanted to eat. *Pizza* I thought. When we got to Dairy Queen, I ordered my food.

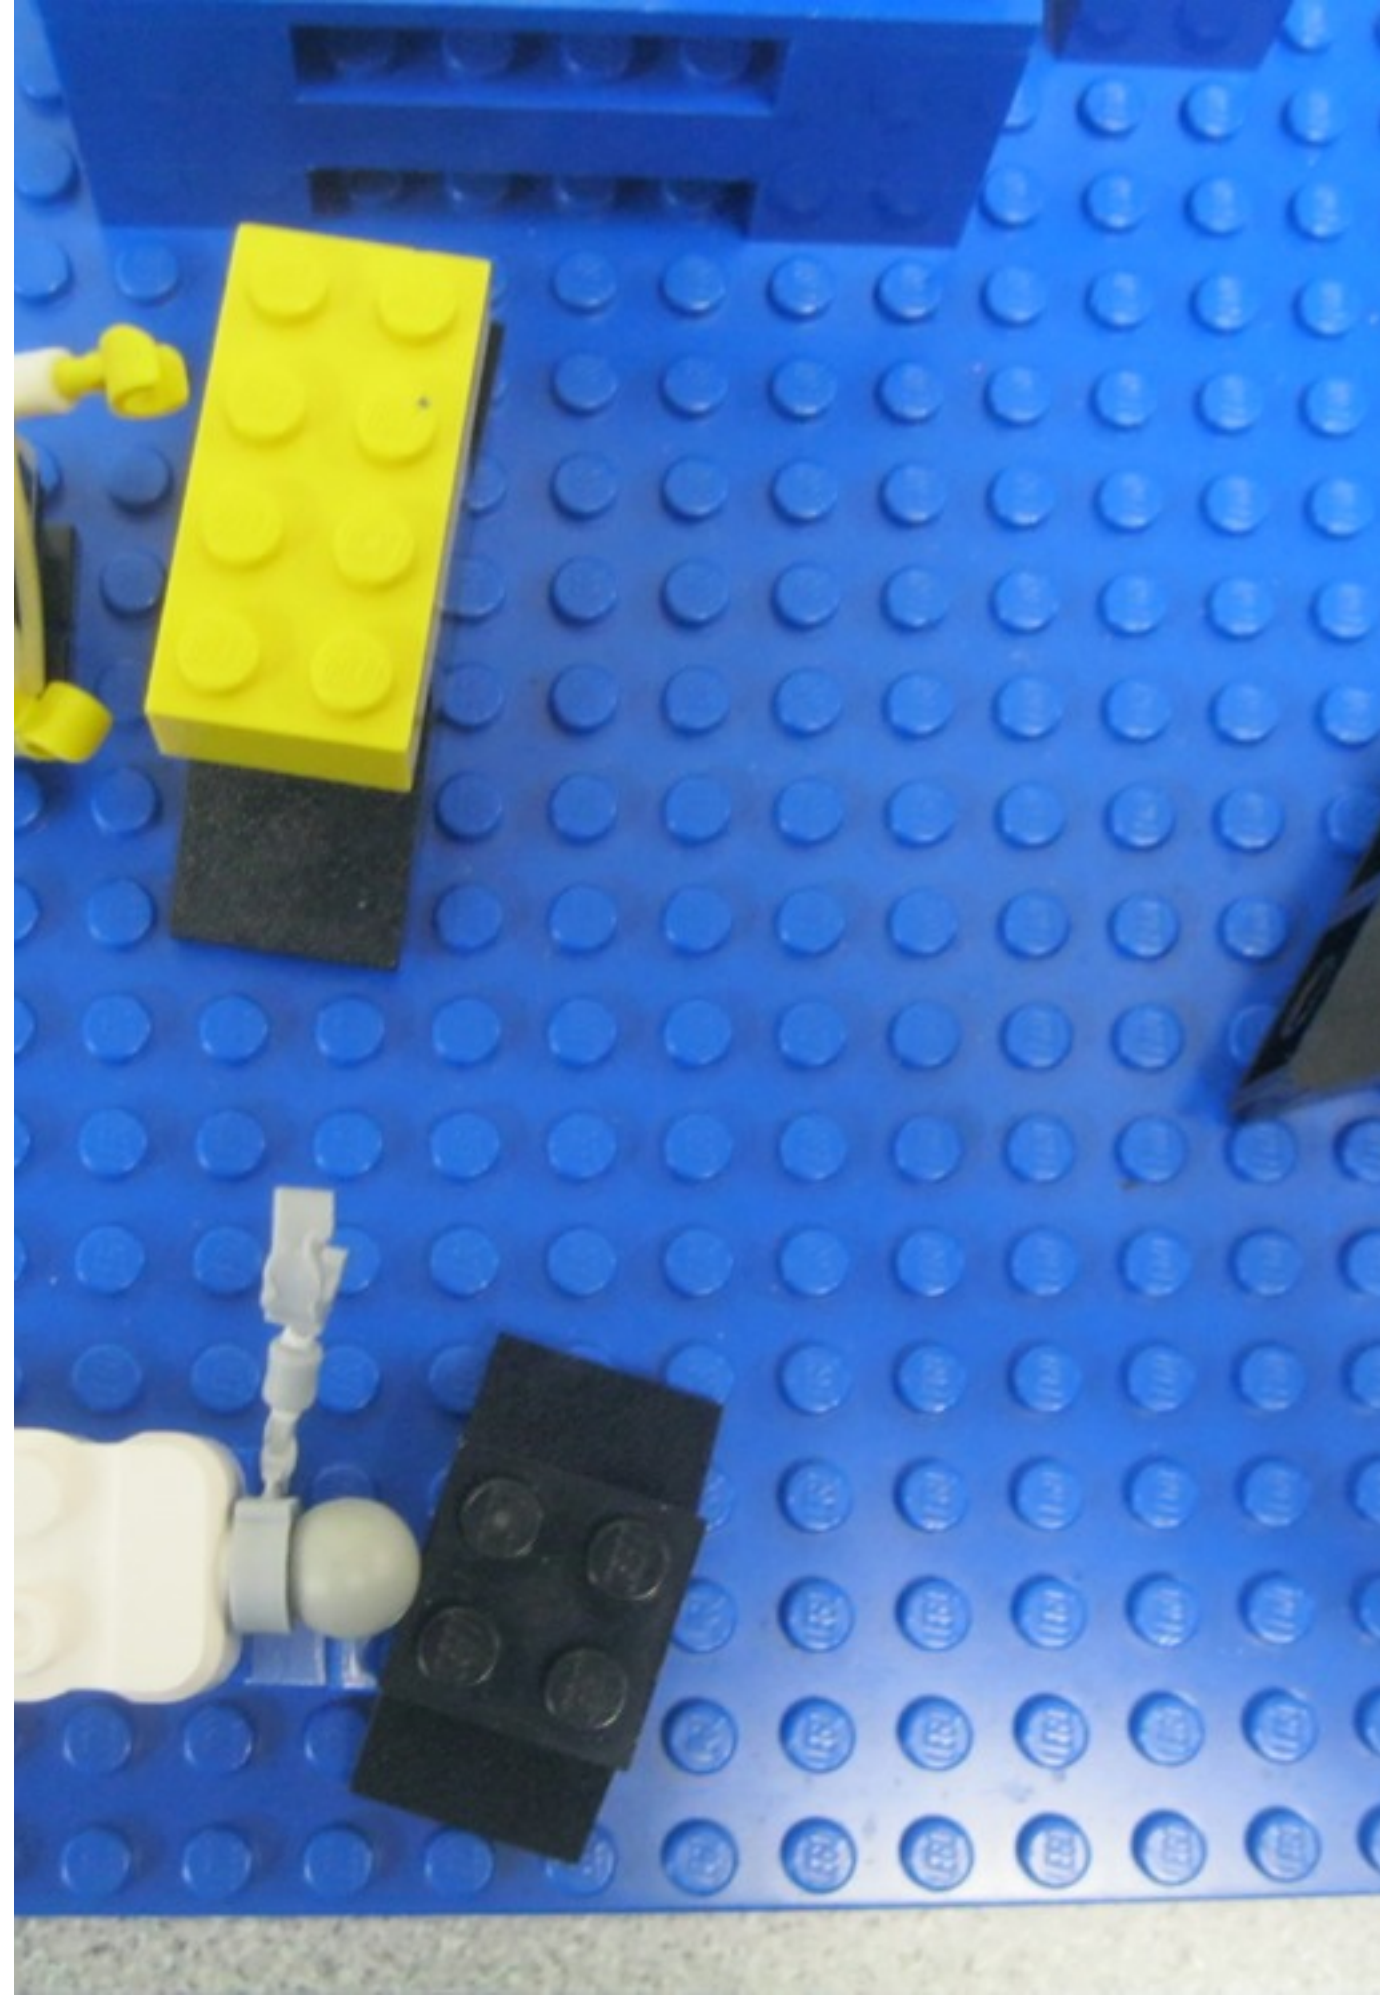

## 4. ATTACK

As I ate my pizza, I heard a strange noise. I turned just in time to see a giant evil squad of MANATEES!!!!!!!!!!!!!!!!!!!!!! I did not know what to do. So we did the obvious thing- PANIC!!!!!!!!!!!!!!!!!!!!!! When we were busy PANICKING the EVIL SQUAD OF MANATEES started ATTACKING the other people at DAIRY QUEEN!!!!!!!!!! So finally, Yahtzee and I noticed this. I was speechless. It was the WEIRDEST thing that ever happened in my life!!!

## 5. REVENGE

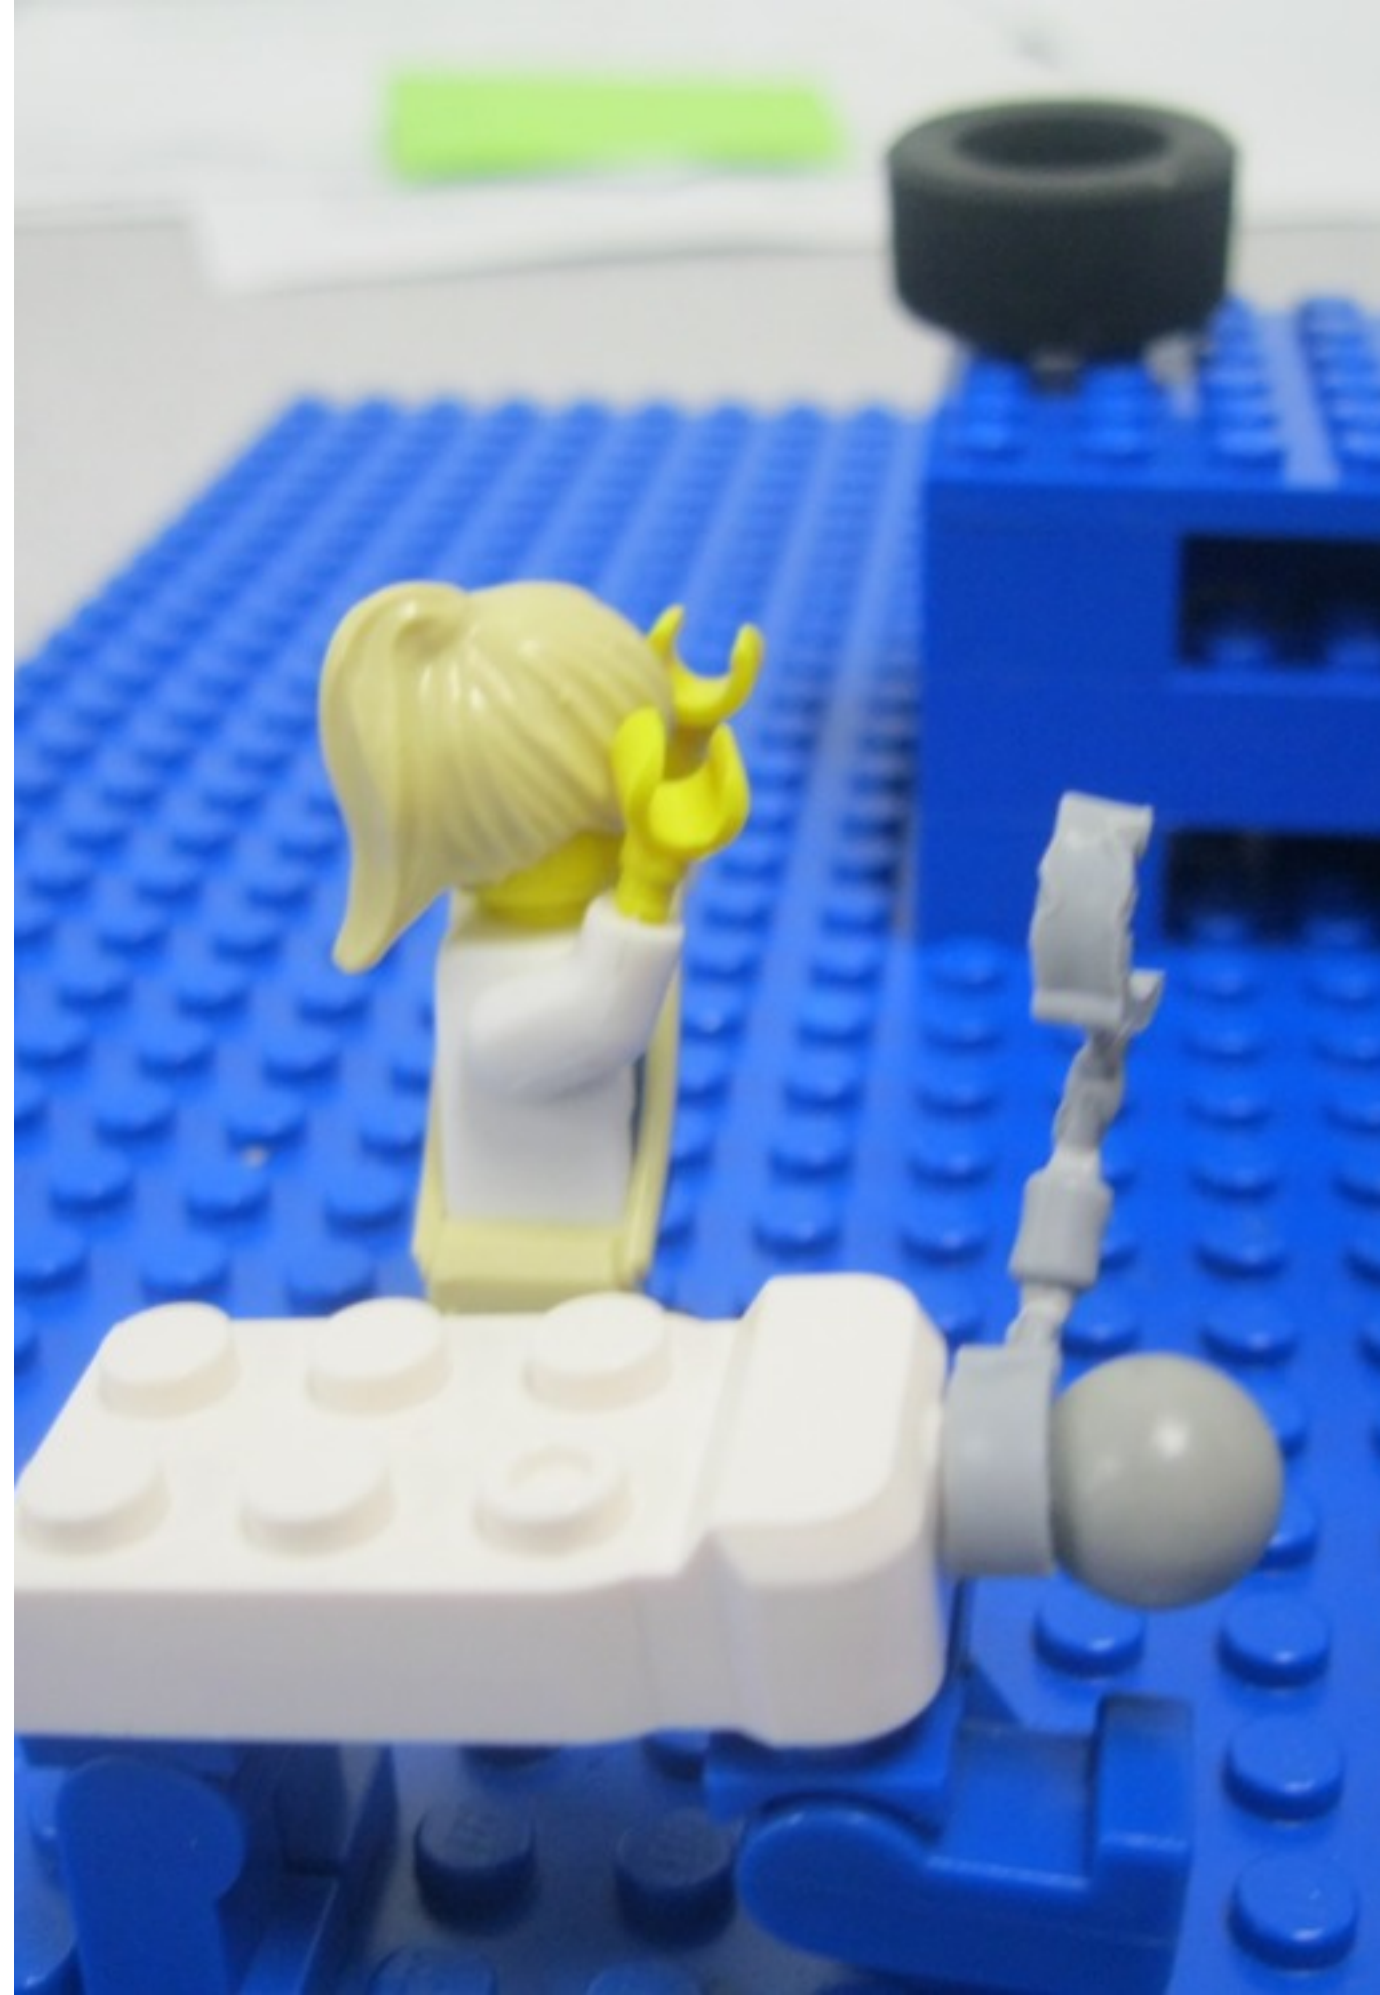

I never had seen such a thing in my life. I wanted to be a HERO and be on the NEWS. So Yahtzee and I KARATE CHOPPED the EVIL SQUAD OF MANATEES and... knocked them all down (even the king!). So we're pretty much FAMOUS now. So we're HEROS. And we'll be on the NEWS and stuff like that.

## 6. WE WON!

EVERYBODY in Dairy Queen was celebrating, cheering and crowding over us. I was so EXCITED I could not explain my feelings. Yahtzee and I put our hands up and cheered!! (well, Yahtzee put his paws up.) IT WAS THE BEST THING THAT EVER HAPPENED IN MY LIFE!!!!!!!

## 7. HOME

After we finally got out of Dairy Queen I rode back home on my bike. I told my parents EVERYTHING that happened at Dairy Queen. They were so proud of me.

THE END
