Hanna would wait for us at her house. When we get there we are going to take taxi.

When Hanna saw us, she was screaming. That is how happy she was.

chapter 2

After they saw Hanna they checked into a hotel. After we put up their stuff we went to a fancy dinner. We had lots of food. While we were enjoying our time, the restaurant got caught in fire. People started panicking and screaming. Since they were all speaking different language, we really didn't understand what was going on. Patrick and I were just sitting there, but we felt we had to do something. we ran outside and saw that the restaurant was on fire.

we ran to our hotel and called the fire department and they said they would be right there. they were there in 5 minutes. they put the fire out and the next day the construct people were working on it.

Chapter 3
