# DEDICATION.

*This book is dedicated to my friend, Will (who helped me write this book:.) and I would also like to dedicate this to my family.*

# MEET BECKETT

Beckett is a 17 year-old Ravenclaw student. He goes to school at HogWarts. His hobby is to stay up all night reading spell books. His favorite food is Bertie Botts Every Flavor Beans. His favorite sport is quiddich (football on brooms). Him and his best friend Will taunt slithering students. His favorite spell is stupify. He is muggle-born wizard. His wand is reed.

# MEET WILL

Will is a 17 year-old RavenTalon student. He is friends with Beckett. He is a fanatic about quiddich (flying football). His favorite food is chocolate frogs. He is a muggle-born wizard. His wand is birch. He likes to prank slithering students because they are snobby and I mean REALLY snobby. His hobby is staying up all night studying spell books.

One day Will and Beckett were in the RavenTalon common room when another RavenTalon student calls them “quiddich fools!” They got mad and yelled. She stu-pified them and they hit so they knocked a poster down. Beckett picked it up and read it aloud. It read quiddich tryouts to-night,Beckett put the poster in his pocket and they headed off to plantology where they planted mancakes.

# WEREWOLF

Will and Beckett decided to camp out before the tryouts but what they didn't realize is that they were being watched. The boys slowly drifted off to sleep.

SCREEEEEEEL, werewolf had spotted them but they didn't notice the big furry howling werewolf. There was another howl This time the boys woke up "What was that?" asked Will "I don't know" answered a more terrified Beckett. Then they thought it was their ears and they went to sleep.

# ST. CARL'S HOSPITAL.

That next morning they woke up in ST.CARLS HOSPITAL, I it wasn't even the next day, It was a month later. They had been attacked by a werewolf." What happened" asked Beckett "You were attacked by a werewolf and you you just woke up from a month-long coma". "What day is it"? Asked a mind-blown Will." November 28" Answered the nurse.

Can we still do quiddich? Asked Beckett."No"Answered the Nurse.The boys were sad but they are happy that they are alive.
