
Bob and the DIRT!

WHY BOB LOVES DIRT

When Bob was a baby, his doctor accidentally dropped him out the window. The hospital was a tall building, and since Bob was just a baby, he couldn't scream for help. Luckily, there was a pile of dirt and that cushioned his fall. That was the start of a long relationship between the two. That is why Bob loves dirt.

DIRT HOUSE

Hello, my name is Bob. I LOVE **Dirt!** “I think I am the smartest person in the world. I am also very handsome. Who cares anyway.” As you may be able to tell, I live in a **Dirt** house. It is so spacious and nice. I really don’t like the world because there isn’t enough **Dirt**. Also, since everyone likes the game minecraft, I want there to be more **Dirt** there, too. I wish I could make more **Dirt**... Hmm...

MAKING DIRT

I just got back from the river with some gravel and a large stone. I will use these to make **ARTIFICIAL Dirt!** I grab the stone and bang the gravel with it.

~O~

Two hours later I finally finished the **Dirt**. It looked **AMAZING**. One problem, though. The pounded gravel wasn't brown. It will work, though. Now I have to "fix" Minecraft. Hehe!

THE ATTACK

Or: Cue the Secret Agent Music... NOW!

Whee! IM AT MOJANG!!! Don't I look so cool? Okay, let's get in. I walk up to the door, and it's locked. Meh. I have an idea! Let's use the POWER OF **Dirt**! I grab some grass (**Dirt**!) and jam it in the electronic locking mechanism. The door clicks open and I'm in.

~0~

I did a lot to Minecraft. (I happen to know Java™!) Here is the complete list:

- Changed all blocks to **Dirt**. :)
- Changed all entities to **Dirt**. :)
- Changed all text to "**Dirt**". :)

Dirt will be the only thing in Minecraft! Tehe!

THE REACTION

Little Billy Says “It’s time to play some Minecraft!”, He logs on and opens his world. “AAAAHHHHHHHHH! It’s... It’s... **Dirt.**” NOOOOOOOOOO!

~0~

The fake **Dirt** is awesome in my opinion but for some reason no one else liked it. Maybe because it wasn’t brown or maybe because plants didn’t grow in it. I really don’t know.

ABOUT THE AUTHOR

Trevor Nelson is a good writer (if it's on the computer, if not, he's terrible.) He is 11 years old and will soon be 12. He lives with his mom, his dad, and his cat. He is NOT ADDICTED to minecraft, but he still plays (rarely.) He IS however addicted to CAPS LOCK! (and parentheses. Yeah. ☺) He came up with bob to be an example of what NOT to be like. So DON'T BE LIKE BOB!!!
