

THE CASE OF THE MISSING ANIMALS

BY EMERY AND ALEXA

AT HOME

We were at home and we got a call from the zoo that the animals ran out of there cage. Then the zoo keeper said can you help me get the animals back in there cage. Sure said Alexa and Emery the detectives. then they got there boots and ran out the door to help the zoo keeper get the animals back in there cage. There are ten different animals to catch.

They looked around the zoo just in case there were any animals in different cages. Next they looked in the parking lot to see if any of the small animals under the car. Then they looked in the trees if any monkeys were in the trees swinging in the trees. Alexa said look there is a monkey in the trees. Now we only have 9 more animals to go. The trees were so snowy that we could not see where the monkeys were going. We looked around the trees to see if we still saw the monkeys. Look said Emery there are the monkeys.

Chapter 2

Try to find me

Look, said Alexa I found the monkey that was lost. Now we need to find only 9 more animals. They drove to the mall to see if any of the animals were at the mall. At the mall they found an animal eating popcorn at the snack bar. It was one of the chickens. Only 8 more animals to go!

They continued to look around the mall. At one of the department stores, they found an elephant trying on ladies clothes in the dressing room! Now there is only 7 more animals to go!

After another search, they found a zebra trying on bikinis at Swim Shop. They decided to leave the mall and continue searching. Now there were 6 animals left to find!

They continued to look in the market to see if the goats were eating apples.No!
There were no goats in the Market.

Chapter 3

you found me

Then we looked around in the Nail Salon. Wait! look said Alexa there are the wart hog getting her nails done. Now we have 5 more animals to go. Next we went to the water park to see if the seals were there. We looked around the water park to see if the seals were playing in the water. Look! I said there is one of the seals. Now we only have 4 more animals to go. Next we looked in the Flower Park to see if the butterflies were on the flowers. Look! said Celyn there is one of the butterflies. Now we only have 3 more animals to go. Next they looked at the makeup store to see if the elephants were getting a makeover. Look! said Emery there are two animals there the elephant and the penguin were there. Now we only have 1 animal to go. Where is a place where a giraffe would go? Alexa said maybe they would go to school. Lets! go said Emery before it is dinner time. We got there and we saw the last animal . Now we only have 0 animal to go. Lets pack them in the car and drive back to the zoo and put them in there cage.
