I would love to dedicate this book to my parents and give it as a gift to Barnes and Noble

INTRODUCTION

Say hello to Graham, the best police officer in town. His best friend and a partner is Colin. While Colin was watching TV at the Police Station, Graham was guarding the Police Station in New York.

Colin likes to sit down and be lazy. Graham likes to be fit and strong.

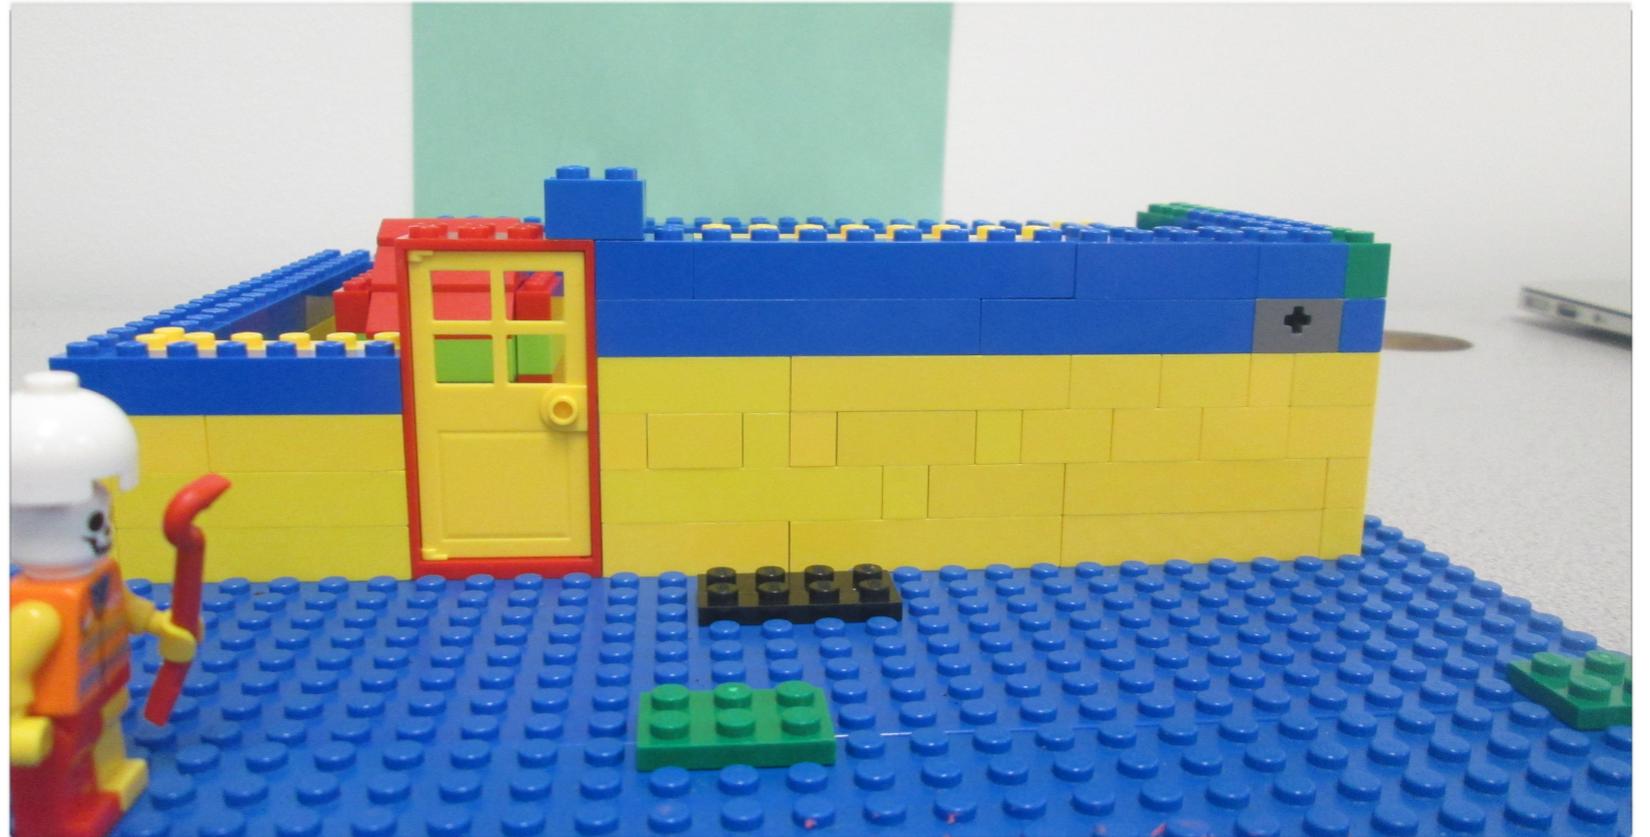

The Police Station was made out of bricks and inside there was a wii console.

They played Halo for 24 hours a day. but Graham bought a carrot aka missile to protect the city and keep it safe. That is why they were able to relax and play games for a long time.

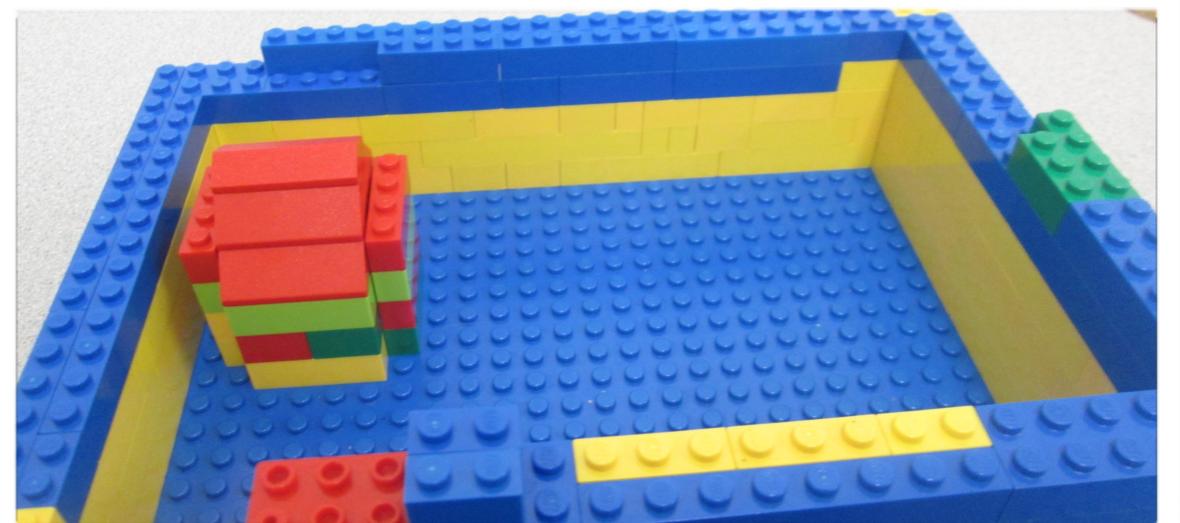

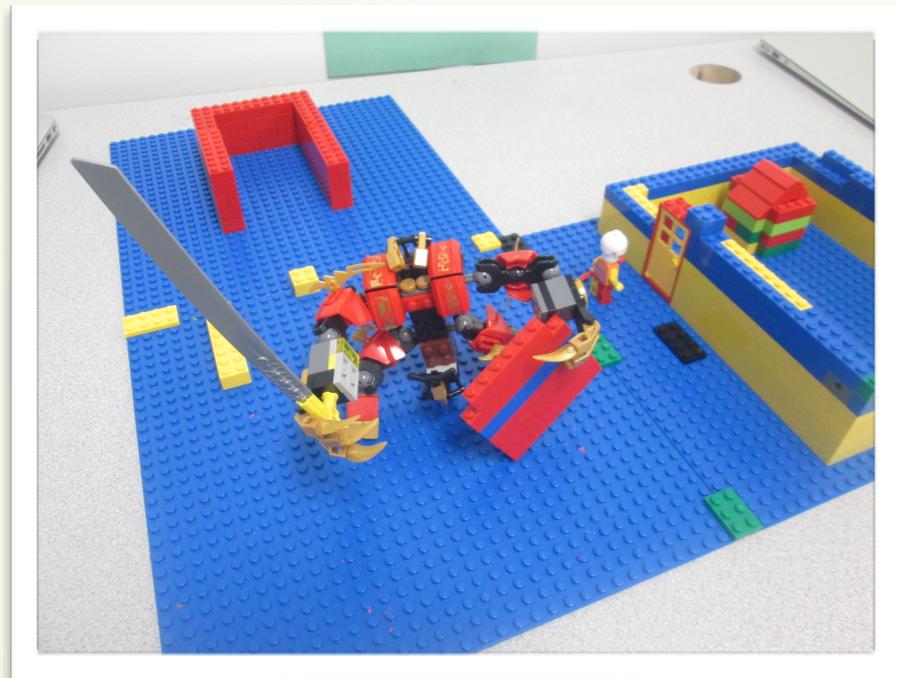

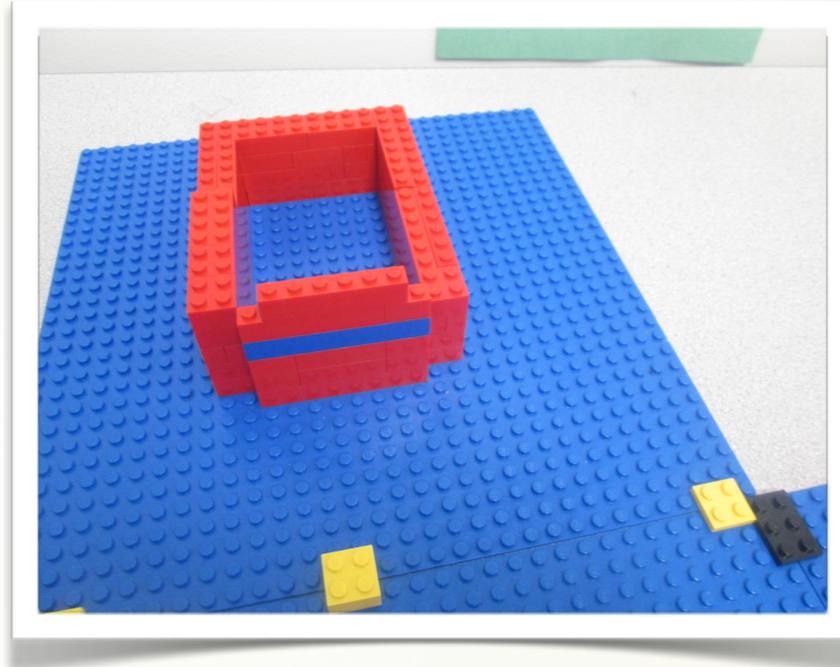

THE ROBBER BREAKS IN

Just around the corner, there was a bank and there was a robber who decided to rob the bank with the crowbar. He was looking for a gold and he knew that this bank has it.

All of a sudden, the Mech came with the police officers on their bikes.

When the robber got into the bank, the Mech who had Graham inside to control everything.

• CHAPTER 3 •

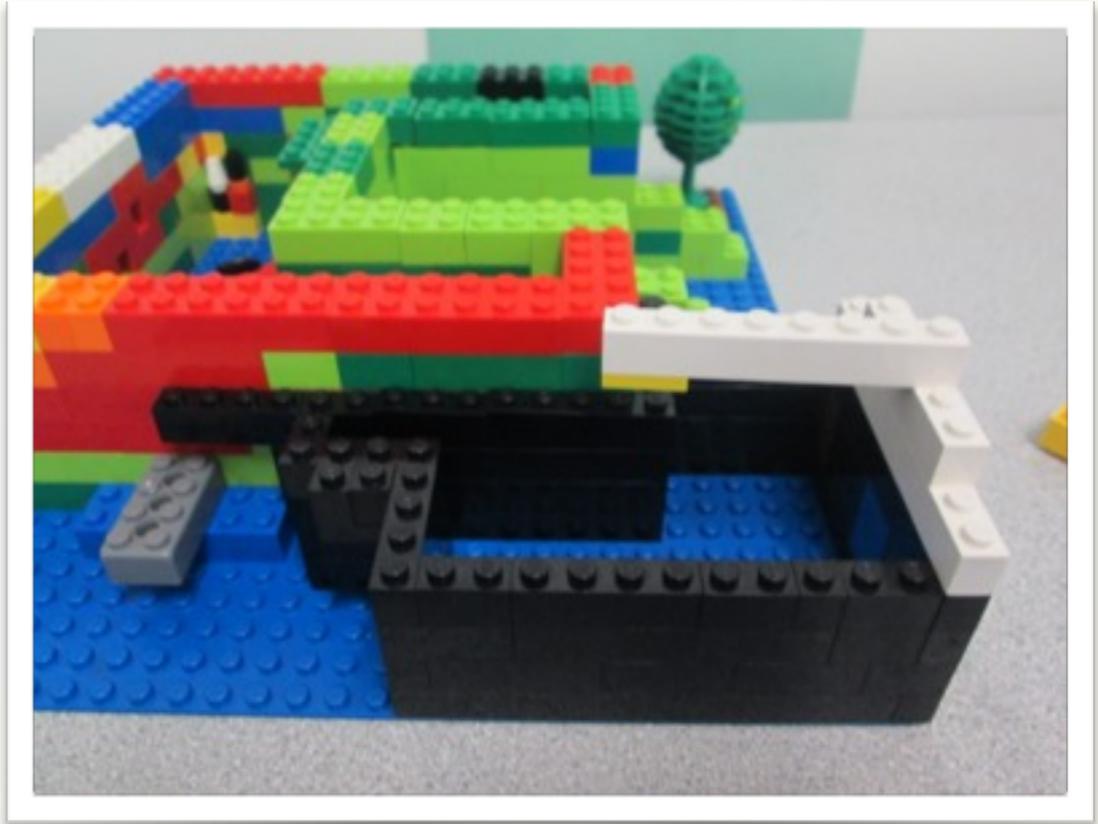

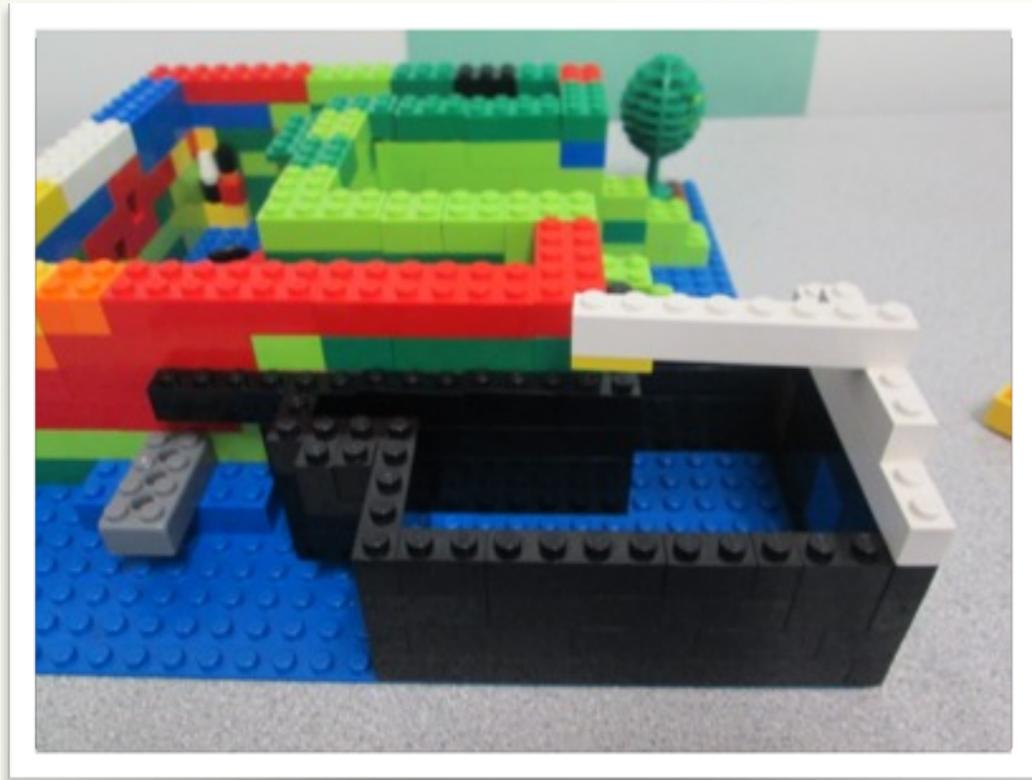

REVENGE!!!!!!!!!!!!!!!

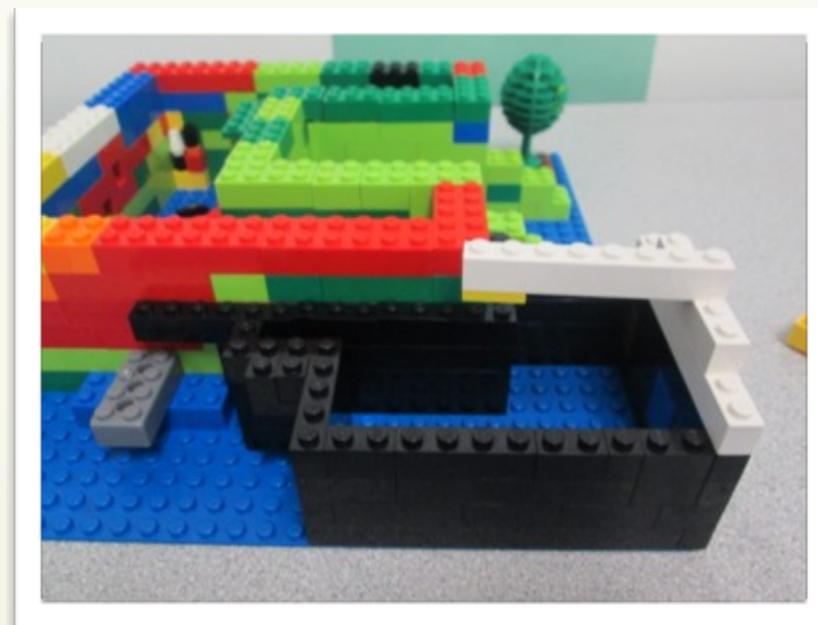

When the robber was running away the police and the Mech surrounded him Graham said “ put your hands up” and he surrendered.

The robber was taken to a jail and stayed there forever.

This is the jail where the robber went in.

My name is Graham and I am 6 years old .My favorite food is tuna and my school is Morrisville.

I live with my family and we have one dog.

My partner who helped me make this book is Colin.
