CASE IN BURRITO LAND

Billy and Bob were trying to figure out the mystery of the missing golden burrito. We had just figured out that the golden burrito was missing the king said that and called Billy and Bob up and said find the golden burrito. So the next day they came to the scene of crime but what the king did not know that it was someone not normally a suspect was one.

THE FIRST CLUE

The two detectives look around for clues for the question. Who stole the golden burrito? They saw some thing Bob spotted it and it was a riddle that said who eats the least burritos in town? So the king was confused he didn't know anyone in town who would eat the least burritos because people had to eat burritos every single day. So the detectives

thought and thought but did not come up with anything. But the king's son the prince of burrito land had a few people on his list once he heard about this. These were the suspects 1. Joe 2. Anthony 3. Humpty Dumpty. The king thought about what his son said and thought "Humpty Dumpty could not possibly be a suspect he's too kid friendly. His son said that he could be it because he hates burritos and is on a diet. "Why because he's so fat" The king said. So it was settled Humpty Dumpty was a suspect.

THE SUSPECTS TRUE?

Then Billy spotted some hot sauce so went to town to look for someone with hot sauce and the suspects that the king's son thought were the suspects were the suspects. So the king ordered his guards to bring those 3 suspects to the castle to be talked to. "But Humpty Dumpty is too kid-friendly to be taken away" said one of the guards. "listen to my orders guards"

or you will get dungeon for life” Said the king. So the guards went to town to get the suspects and they came back with them. So the king talked to them. Billy saw a light in Joe’s house and it lead them in there but when they went in it was just a light in his house. So they went back to the castle and looked for more clues.

They saw egg shell near where the golden burrito was stolen. so they knew that the person who stole the golden burrito had egg shell on his hand so they inspected the suspects “Joe you are off the list so you can go back to town and live a happy

life in burrito land so bye Joe” Said Billy the detective.

WHO STOLE THE GOLDEN BURRITO?

The two detectives thought but the two suspects were hard to figure out. Why would Humpty Dumpty do a thing like that he's to kid friendly to do a crime?

**STOP CALLING HIM KID FRIENDLY IT MAKES THIS
CASE SOUND STUPID!!!!!!!!!!!!!!**

Okay then you don't have to put it in capital letters man where were we oh yay. Then they found some egg yolk and Humpty Dumpty did the crime and the king said for Humpty Dumpty Jail in burrito land for life.

The case is closed.

The daily weird report news, really weird.

The dream of the I do not know

One day I was at my house when a package came. It said "For Nicholas" and it said to open it now. So I did and I saw a paper bag and opened it. Inside I saw a pipe cleaner, a flashlight, and a clip. I wondered what it would do so I said all the names of the items. A few seconds later it turned into a bus and I'm just like did that really just happen. Well, I just gave it to my friend Billy Bob Joe and he got a career as a bus driver.
