DEDICATION

I dedicate this book to my family because they have always been there for me.

I will also dedicate this book to my friends.

CHAPTER 1

The Hike up the Mountain

One day a girl was on a hike up the Mountain. Then she heard a rustling noise in the bushes. She got a little scared but she was still walking. She heard a growl then BAM a snow leopard pounced on her. She said “oof that hurt”! Whenever she tried to help someone she saw the snow leopard in her mind and she felt that she had powers. That day forward she had super powers.

CHAPTER 3

The fight

Kd heard a siren and a scream she thought in her head that did someone call for help so she closed the bathroom door to get change into her suit that is The White Leopard suit. She said “Who are you”? “I am The Terrible Tigris” she said. “Why did you do this”? “Because I love to destroy things” “Why do you like to destroy thing”? “Because I just think it is fun”. “ooooohhhh I see but still I just

don't get it". "You will find out in a little while". Kd still heard screams. She thought in her mind she said "Why did I not save them"? Kd said "I will save you people". She heard
AAAAAAAAAAAAAAAAHHHHHHHHHHHHHHHHHHHH!!!!!!!
!!!!!!!!!!!!!!!

Saving

The way she saved them was with her leopard instincts by jumping and running. The White Leopard saved so many people that she got weak. Kd saved at least 50 people from the fire. She was a little sad because she saw how many people were in the fire. She got weak because her weakness is heat above 105 degrees.

Crowd

The White Leopard had a speech to the crowd "I have saved you before and I will save you anytime. I broke the spell for The Terrible Tigris so now we don't have to suffer from EVIL!!!!!!" The crowd screamed like crazy like as loud as they could. The White Leopard had one more thing to say " I love New York!"
